

I Want a "Seat at the Table!"

AS A VOTING DELEGATE AT ANY LEVEL

You will enjoy the opportunity to have your voice heard in your precinct, your County, your state, and maybe even at the National Convention! Along the way, you'll get to vote on resolutions, plans of organization, party platforms, and issues that guide the party. You'll also have the opportunity to be elected to any number of leadership positions within the party. Some of them are yours for the asking - just for showing up!
